### Conference History

Initiated by Lakeland Christian Academy (LCA) boys basketball coach Chris Hohm, the Hoosier Plains Conference joined the school with some of their most competitive opponents. While not an IHSAA conference, LCA and South Bend Career Academy are members of the association. League play began in the 2017-18 season.

Conference teams play a round-robin, five-game schedule. Currently, the conference does not have a tournament. If member schools play more than once in a season, the first game counts as the conference matchup.
