### Conference History

Initiated by Lakeland Christian Academy (LCA) boys basketball coach Chris Hohm, the Hoosier Plains Conference joined the school with some of their most competitive opponents. While not an IHSAA conference, LCA and Career Academy South Bend were members of the association. League play began in the 2017-18 season.

Conference teams played a round-robin, four-game schedule for two years after Howe Military dropped out. The conference did not hold a conference tournament.

In 2020 the conference announced plans to become an IHSAA conference. Argos, Bethany Christian and Elkhart Christian were added for the 2020-21 season while Community Baptist and Granger Christian were dropped. Career Academy is a 2A school while the other five schools going forward are all 1A members. The conference will also sponsor fall and spring sports.
