The South Shore Athletic Conference began play in the 2018-19 season, four years after the South Shore Christian Conference folded in 2014-15. Three holdovers, Calumet Christian, Portage Christian and Victory Christian, were joined by Hammond Academy of Science and Technology (often referred to as Hammond Academy), Heritage Christian (Dyer) and La Lumiere Blue. Hammond Academy is an IHSAA 1A school while the other five schools compete in the ICSAA. Victory not only won the South Shore regular season and conference tournament but also captured the ICSAA State Championship and an NCSAA national title. Victory again rolled through the regular season and tourney in 2019-20.
